A flock of birds is flying in a clear blue sky. The birds are dark with a reddish-brown patch on their chests. They are arranged in a loose, curved pattern across the upper half of the image. A large, semi-transparent watermark reading 'PROOF' is overlaid on the sky. The text is in a yellow, serif font.

*God created the great creatures of the sea and every living and moving thing with which the water teems, according to their kinds, and every winged bird according to its kind. And God saw that it was good.*

*God blessed them and said, "Be fruitful and increase in number and fill the water in the seas, and let the birds increase on the earth."*

*Genesis 1:21-22*
